

HECATE

G5 MAX

THX Spatial Audio Quad-mode Gaming Headset

— User Manual —

EN 1. Power on/off

Power on: Press and hold the "G" button for 1.5s.

Power off: Press and hold the "G" button for 3s.

2. Charging

Connect the headset to a power source via the USB-C cable for charging.

Note: Make sure the USB-C port is completely dry before charging.

Low battery: Red light blinks once every 5 seconds.

Charging: Red light breathes.

Fully charged: Red light turns off.

Input: 5 V $\overline{\text{---}}$ 1 A

3. 2.4 GHz mode (factory default)

1. For initial use, insert the receiver into a device and the headset will auto-connect to 2.4 GHz mode.

2. Double-press the "G" button, and the headset will switch to the 2.4 GHz mode to reconnect automatically. The blue light will blink once every 5 seconds.

4. Bluetooth mode

In ON state, double-press the "G" button to switch to Bluetooth mode. Select "HECATE G5 MAX" from your device list to connect. The blue light will blink once every 5 seconds when the connection is successful.

5. USB audio streaming mode

1. In ON state, the headset automatically switches to USB audio streaming mode when the data cable is connected. The red light will remain steady.

2. Double-press the "G" button to switch between 2.4 GHz, Bluetooth and USB audio streaming modes.

3. Supports charging while playing.

6. Controls

Note:

1. "X 1" Press, "X 2" Double press, "X 3" Triple press, " 2s " Press and hold.

2. Default sound mode: Game mode.

7. Sound effect adjustment software

1. Please log in on the HECATE website: <https://hecatgaming.com/pages/product-support> to download the G5 MAX software, find the "setup.exe" file, and install the HECATE software (Windows 10 or later systems supported).

2. Please follow the instructions to complete the installation.

3. Only for 2.4 GHz and wired modes.

8. Reset

In OFF state, press and hold the "G" button for 10s. The red and blue lights will blink alternately 3 times. This function is unavailable while charging.

9. EDIFIER ConneX app

1. With your smart device, scan the QR code on the quick start guide or the packaging.

• You can also search for "EDIFIER ConneX" in Apple App Store (iOS devices) or Google Play (Android devices).

2. Download and install the app.

3. Connect your smart device with the headset via Bluetooth.

4. Open EDIFIER ConneX App on your smart device.

5. Tap the menu for settings and playback control.
